Through efforts of coach Oilers gain confidence

Fourteen seniors, eleven juniors, and twenty sophomores comprised the 1967 varsity football team.

Because of the remarkable turnout of underclassmen, this year's experience will be an important asset to next year's team.

On his first year of varsity coaching is Mr. Ray Zubeck. Assisting him are Mr. Ed Fritz and Mr. Tom Kujawa.

Mr. Zubeck has shown promise in instructing the team in the fundamentals of football. The Oilers have benefited greatly through his knowledge of the game and leadership of our team.

Homecoming victory compensates for other losses

With victory in mind, the Oilers clawed the Hammond Tech "Tigers," for their first win of the season. With eleven seconds left in the game, Ken Justak kicked a twenty-yard field goal which ended in a 14-17 victory for Whiting. Thus proving that Friday the 13th was not a barrier for the auspicious Oilers to overcome.

There were nine returning lettermen for the '67 season. The seniors were Jerry Bubala, Wayne Cain, Greg Murzyn, Ed Negovetich, and Jim Shimala. The juniors returning are Tim Klosek, Dave Michalak, Emil O'Drobinak, and Jim Shimala.

Oilers bewitch opponents; triumph over odds

The Social Room was the center of activity Monday night, as students worked vigorously preparing signs and banners for the Homecoming parade.

Students proudly displayed the completion of cars and floats at the Homecoming parade. The Girls' Club officers' car won first place and the first place float was won by the Spanish Club.

At half time, tension increased as students eagerly awaited the coronation of this year's Homecoming Queen. Crowned by Martin Sabol, Miss Barbara Bubala was chosen to reign as 1967 Homecoming Queen. Barbara was escorted by Roger Schweikert. Reigning over the game with Barbara were the following: Kathy Zorich and Debbie Burosh, senior attendants; Jeanne Kristek, junior attendant; Chris Saksa, sophomore attendant; and Joyce Prucy, freshman attendant.

After the Oiler victory against Tech, 14-17, the students danced to the music of the "Brybs" which concluded "WHS's Homecoming for 1967."

Oiler efforts impress fans, as teamwork is shown

Jump balls at mid-court, cheers for the Green and White, scrambles for a lost ball, and cries of overly eager fans accompany weekly basketball games.

The '67-'68 season brought back double-headers with Clark. The Varsity, consisting of twelve athletes, includes two seniors, six juniors, three sophomores, and one freshman, under the coaching of Mr. Vin Oliver.

The Whiting Oilers are to be commended for their hard work, sportsmanship, and unflinching effort to uphold the Whiting tradition.

Oiler win over Gladiators concludes season

The Oilers concluded their season by winning their last home game against Gavit, 73—64. Although this year was not so successful as we had anticipated, Coach Oliver comments about next year as follows: "I definitely think that we will have a winner next year."

Junior Tim Klosek has been ranked in the top ten of highest scorers of the Calumet Region. Don Etter, a 6'4" sophomore, proves an important factor in next year's team, as well as juniors John Sandrick, John Whiting, and Tim Buckley.

Sabol, Thomas chosen academic leaders

Our years at Whiting High School have provided us with many pleasant memories that will forever remain with us. But just as we shall leave a part of ourselves here, we shall also take a part of Whiting High with us into the world.

We have been prepared to enter society as useful members. We are no longer children; we are men and women. The preparation that we have received has made us capable of making more decisions for ourselves. Soon our ability to make decisions will be tested. The results will not be measured by percentiles or letter grades; they will be measured by our personal achievements. These achievements will determine our success in life.

We must remember that success is a relative term and cannot be defined easily. Each person must define success for himself and then strive to meet these personally set specifications.

With God's grace and our own perseverance, the Class of '68 will become one of the most successful groups ever graduated from Whiting High.

Martin Sabol
Valedictorian

Martin Sabol, valedictorian

I wish the best of everything to all at Whiting High School. May the years spent here give you not only an academic education but also an insight on becoming a better individual and member of the community.

Success comes in many different forms—fame, power, wealth, or happiness. Always let a high regard for others govern your actions, and you will gain success in whatever form you desire it.

Fond memories of four years recalled

1968. This year symbolizes the achievement of our goal—graduation. Although we have struggled through the usual hardships of all high school students, we have also reaped our rewards. Each year as we grew older, we found ourselves recalling both the childish and the unusual experiences we had previously gone through; reliving them with fond memories. Now, as seniors, we are busy preparing for graduation, thinking seriously about college and eagerly awaiting the future. Right now, let's recollect the year 1964. Do you remember...

As freshmen, everything was novel and exciting. For the first time in our lives we were really a part of the Homecoming festivities, ball games, school dances, girl watching, etc. Election of our officers, Greg Murzyn, Randy Braun, Nancy Dostatni, and Jim Kubeck, made us feel "part of things." Our freshman-sophomore party, entitled "Rainbow Fantasy" featuring Rich and the Revere's was the highlight of the year.

The traditions of W.H.S. became more familiar to us as sophomores. Led by class officers, Dan Blas-

tick, Laura Bachurek, Nancy Dostatni, and Shirron Wilson, we began to build our reputation as the greatest class W.H.S. has ever seen.

Our junior year held both the distinction of our being upperclassmen and the inevitable responsibility of successfully creating the Junior-Senior Prom. Although our prom, entitled "A Many Splendored Thing" held on May 12 at the Scherwood Country Club was clouded by gas siphoners, it was worth remembering. Music was provided by the Norm Rogers Orchestra. Linda Warren, Ed Negovetich, Diana Demkovich, and Mike Brezene were chosen class leaders.

Finally our senior year has arrived. No matter how busy we are, nothing can erase the memories gathered during the "four happiest years of our lives." It seems so long ago that we were carefree freshmen, but now we are independent seniors and we are hastily becoming the leaders of tomorrow. Let us put together all we have learned to make the world proud of us. We have the material and we will make it useful!

"Starlight Rendezvous" becomes main topic;

The junior class began the year with the addition of a new sponsor, Mrs. Virginia Gergel. Assisting her with the prom, class dance, and extracurricular activities are Emmanuel O'Drobinak, president; Kathy Mashura, vice-president; Becky Rader, secretary; and Cynthia O'Drobinak, treasurer.

The class dance was held in the Girls' Gym, and the music was provided by the "Idols."

Jeanne Kristek was chosen Homecoming attendant by the class of '69. Acting as her escort during all the festivities was Jim Cooper.

The big social event of the year was the Junior-Senior Prom. It was held May 19 at the Dorchester Inn in Dolton, Illinois. Couples danced dreamily to the music of the "Stardusters." Dinner was served at eight o'clock, and the dancing continued through the night.

The juniors, who eagerly await the coming year as seniors, prepare to serve as leaders of the school during their last year at WHS.

Those all-important prom decisions are made by Cynthia O'Drobinak, treasurer; Kathy Mashura, vice-president; Mrs. Virginia Gergel, class sponsor; Emmanuel O'Drobinak, president; and Rebecca Rader, secretary.

Proofs and dissections challenge sophs;

This year, the male gender guides the sophomore class. Serving as president is Don Etter; Tom Adam, vice-president; Steve Trenka, secretary; and Mark Hritz, treasurer.

Homecoming was met with eager anticipation, especially the election of the sophomore attendant. Chris Saksa was chosen and Terry Mikula was her escort.

Although class rings have already been chosen, they will not be distributed until next year.

The annual Freshmen-Sophomore Party terminated the activities for the Class of 1970; however, the sophomores await their junior year with much optimism.

Serving as sponsor of the sophomore class is Mr. Peter Kovachic.

Gazing at a map of the world are the sophomore officers. Seated: Don Etter, president, and Tom Adam, vice-president. Standing: Mark Hritz, treasurer; Mr. Kovachic, sponsor; and Steve Trenka, secretary.

Frosh orientated to new surroundings;

Electing class officers was the first duty enacted by the members of the class of 1971. The class elected John Wolfe as President; Margaret Whiting, Vice-President; Karen Davenport, Secretary; and Joe Piatek, Treasurer.

The amount for class dues was fixed at \$2.00 per year. A project of selling stationery was initiated in an effort to increase their financial standing.

The freshmen experienced a feeling of much pleasure and excitement as they made plans for their first homecoming. The class chose Joyce Pruey as their attendant. Mark Kobli served as her escort.

The first dance given by the freshmen class was held during the month of March, and proved to be a success.

Margaret Whiting, Karen Davenport, Carol Piatek, and Joyce Pruey were chosen to lead the cheers for the Freshmen basketball team.

With their first high school year already behind them, the class of '71 is looking forward to its next year with much enthusiasm.

High School
is a waste of
time . . .

. . . unless you find a job that turns you on and makes good use of your education. Inland Steel wants only people who want to use everything they've learned in high school—and strongly desire to grow personally and in their chosen field.

Inland's future growth depends on the creativity and productivity of its people. If you want a really challenging opportunity to contribute—with the rewards and responsibilities that go with it—Inland wants to talk to you.

We need action-seeking graduates for opportunities in clerical . . . production . . . technical . . . and craft apprenticeship areas.

Think it over. If you have high aspirations and a good high school record, take time to find out about a career with us.

Died 1967

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1.1 million (Office for National Statistics 1999). The number of people aged 65 and over is projected to increase to 6.5 million by 2011, and the number of people aged 75 and over to 4.5 million (Office for National Statistics 1999).

There is a growing awareness of the need to develop services to meet the needs of older people, and a number of initiatives have been developed to address this need. The Department of Health (1999) has published a strategy for older people, which sets out the government's commitment to improve the lives of older people. The strategy is based on three main principles: to improve the health and well-being of older people, to improve the quality of life of older people, and to improve the support and care available to older people.

The Department of Health (1999) has also published a number of guidelines for the development of services for older people. These guidelines are based on the following principles: to involve older people in the development of services, to ensure that services are accessible to older people, to ensure that services are of high quality, and to ensure that services are cost-effective. The guidelines also set out a number of specific objectives for the development of services for older people.
